CECO Environmental Announces Rescheduling of Second Quarter 2026 Earnings Release and Conference Call to August 10

August 5, 2026

Finalization of CECO and Thermon Combined Q2 Financials Requires Additional Time

ADDISON, Texas, Aug. 05, 2026 (GLOBE NEWSWIRE) -- **CECO Environmental Corp. (Nasdaq: CECO)**, a leading environmentally focused, diversified industrial company whose solutions protect people, the environment and industrial equipment, today announced that it has rescheduled its second quarter 2026 earnings call from August 6, 2026, to August 10, 2026.

The Company anticipates it will need additional time to complete its financial reporting and review processes following the acquisition of Thermon Group Holdings, Inc., which closed on June 1, 2026. The second quarter represents CECO's first reporting period as a combined company.

"We look forward to reporting our second quarter earnings on Monday, August 10th. The integration with Thermon continues to go very well as we remain on-or-ahead of schedule with synergy capture. Additionally, our growth programs and markets remain strong. The need for additional time to complete our financial consolidation and review process dictated the decision to push back our earnings release by a few days to ensure accuracy," commented Todd Gleason, Chief Executive Officer.

CECO expects to release its second quarter 2026 financial results premarket on Monday, August 10, 2026, and will host an earnings conference call that morning starting at 8:30 a.m. Eastern Time.
